ABOUT LEVIN ASSOCIATES
Irving Levin Associates is the leading publisher of business intelligence in the seniors housing and care and healthcare M&A markets. For 70 years, Levin Associates has been providing Wall Street investors, senior care providers and health care executives with timely, accurate and reliable market intelligence not found in mainstream media outlets.

Their award-winning health care M&A database, Deal Search Online captures all publicly announced healthcare and seniors housing and care acquisitions dating back to 1993. It was the first dedicated healthcare M&A database in the country, and it is also the largest database of its kind, with more than 26,000 transactions in 13 healthcare sectors.

Individual sector and site licenses are available for subscribers requiring unlimited access, 24 hours a day, 7 days a week to the latest information on seniors housing and healthcare deals. The database contains price, revenue, target, acquirer, price per bed and per unit, income multiples when available and much more. Deals can also be purchased in multiples of 10, 50 or 100 transactions.

Interested parties can visit www.dealsearchonline.com to begin a search or to sign up for complimentary demonstration. The company also publishes The SeniorCare Investor and HealthCareMandA.com.

ABOUT WRDS
Wharton Research Data Services (WRDS) provides the leading business intelligence, data analytics, and research platform to global institutions—enabling comprehensive thought leadership, historical analysis, and insight into the latest innovations in academic research.

WRDS provides researchers with one location to access over 350 terabytes of data across multiple disciplines including Accounting, Banking, Economics, ESG, Finance, Healthcare, Insurance, Marketing, and Statistics. Flexible data delivery options include a powerful web query method that reduces research time, the WRDS Cloud for executing research and strategy development, and the WRDS client server using PCSAS, Matlab, and R. Our rigorous data review and validation give clients the confidence to tailor research and create a wide range of reliable data models. WRDS unique array of Services offer access to a suite of analytics developed by our doctoral-level research team, tutorials, research support, and Classroom by WRDS—a teaching and learning toolkit designed to introduce business concepts in the classroom. The WRDS Experience is more than just a data platform.

An award-winning data research platform for 50,000+ commercial, academic, and government users in 35+ countries, WRDS is the global gold standard in data management and research—all backed by the credibility and leadership of the Wharton School.

ABOUT THE WHARTON SCHOOL
Founded in 1881 as the first collegiate business school, the Wharton School of the University of Pennsylvania is recognized globally for intellectual leadership and ongoing innovation across every major discipline of business education. With a broad global community and one of the most published business school faculties, Wharton creates economic and social value around the world. The Wharton School has 5,000 undergraduate, MBA, executive MBA, and doctoral students; more than 9,000 participants in executive education programs annually and a powerful alumni network of 96,000 graduates.
