S&P Global Market Intelligence is a division of S&P Global (NYSE: SPGI). For more information, www.spglobal.com/marketintelligence.

ABOUT WRDS

Wharton Research Data Services (WRDS) provides the leading business intelligence, data analytics, and research platform to global institutions — enabling comprehensive thought leadership, historical analysis, and insight into the latest innovations in academic research.

WRDS provides researchers with one location to access over 350 terabytes of data across multiple disciplines. Flexible data delivery options include a powerful web query method, the WRDS Cloud for and the WRDS client server. WRDS unique array of Services offer access to a suite of analytics developed by our doctoral-level research team, tutorials, and research support.

Through a partnership with SSRN, WRDS is elevating the visibility of universities and researchers working across an array of fields. The WRDS Research Paper Series is a searchable repository of all papers submitted to SSRN. In addition, the two organizations have launched the *WRDS-SSRN Innovation Award™* to honor emerging business schools in North America, Asia-Pacific, and EMEA.

An award-winning data research platform for 50,000+ commercial, academic, and government users in 35+ countries, WRDS is the global gold standard in data management and research — all backed by the credibility and leadership of the Wharton School.
