ABOUT LEVIN ASSOCIATES

Irving Levin Associates is the leading publisher of business intelligence in the seniors housing and care and healthcare M&A markets. For 70 years, Levin Associates has been providing Wall Street investors, senior care providers and health care executives with timely, accurate and reliable market intelligence not found in mainstream media outlets.

Their award-winning health care M&A database, [HealthCareMandA.com](https://www.healthcaramanda.com) Deal Database captures all publicly announced healthcare and seniors housing and care acquisitions dating back to 1993. It was the first dedicated healthcare M&A database in the country, and it is also the largest database of its kind, with more than 30,000 transactions in 13 healthcare sectors.

Individual sector and site licenses are available for subscribers requiring unlimited access, 24 hours a day, 7 days a week to the latest information on seniors housing and healthcare deals. The database contains price, revenue, target, acquirer, price per bed and per unit, income multiples when available and much more.

Interested parties can visit [www.HealthCareMandA.com/dealsearch](https://www.healthcaramanda.com/dealsearch) to begin a search or to sign up for complimentary demonstration. The company also publishes *The SeniorCare Investor* and [HealthCareMandA.com](https://www.healthcaramanda.com).

ABOUT WRDS

Wharton Research Data Services (WRDS) is the leading business intelligence, data analytics, and research platform for global institutions — enabling comprehensive thought leadership, historical analysis, and insight into the latest innovations in academic research.

WRDS democratizes data access so that all disciplines, Accounting, Banking, Economics, ESG, Finance, Healthcare, Insurance, Marketing, and Statistics, can easily search for concepts across the data repository. Partnering with global vendors, WRDS hosts 350+TB of data — the broadest collection of data on the most robust computing infrastructure to give users the power to analyze complex information at speeds of up to 400MB per second.

Flexible data delivery options include a powerful web query method that reduces research time; the WRDS Cloud for executing research and strategy development; and the WRDS client server using SAS, Python, R, Stata, Matlab, and more. Our rigorous data review and validation give users the confidence to tailor research and create a wide range of reliable data models.

WRDS' unique array of Services include access to a suite of Analytics tools and *Learning Pathways* — providing curated, guided resources for Researchers, Instructors, and Information Professionals. Through data, analytics, research and technology, approach your research using real world examples and advance your analysis to answer the most critical questions with your data.

WRDS is a leader in impactful research. Through a partnership with SSRN, WRDS is elevating the visibility of universities and researchers working across an array of fields. The WRDS Research Paper Series is a searchable repository of all papers submitted to SSRN that cite WRDS in their work. In addition, the two organizations have launched the *WRDS-SSRN Innovation Award™* to honor rising business schools in the North America, Asia Pacific, and EMEA regions. Supporting over 75,000 commercial, academic, and government users at 500+ institutions in 35+ countries, WRDS is the global gold standard in data management, innovative tools, analytics, and research services — all backed by the credibility and leadership of the Wharton School.

ABOUT THE WHARTON SCHOOL

Founded in 1881 as the world's first collegiate business school, the Wharton School of the University of Pennsylvania is shaping the future of business by incubating ideas, driving insights, and creating leaders who change the world. With a faculty of more than 235 renowned professors, Wharton has 5,000 undergraduate, MBA, executive MBA and doctoral students. Each year 13,000 professionals from around the world advance their careers through Wharton Executive Education's individual, company-customized, and online programs. More than 99,000 Wharton alumni form a powerful global network of leaders who transform business every day. For more information, visit www.wharton.upenn.edu.
